

Salem Alpacas is a Premier Ontario breeder of high quality alpacas. Beginning with only three breeding females in 2000, we are now home to over 40 huacaya alpacas, having at times, over 70 alpacas on the farm.

Salem Alpacas participates in many activities on and off the farm. See [Events / Workshops](#) for more information.

Our [Services](#) have expanded to include:

- the sale of alpacas, both breeding stock and fibre producers;
- educational seminars and workshops;
- farm services such as farm set up and management;
- a retail store for beautiful alpaca product; and
- our famous 'hand-made alpaca duvets'.

We invite you to visit our farm. We are open year-round for groups, buses and individual visitors. Please call ahead to confirm our availability.

We look forward to meeting you!
